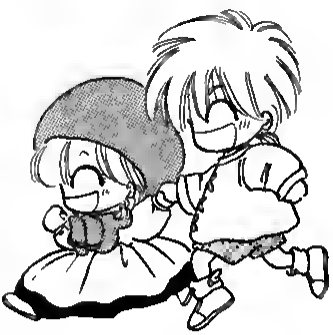
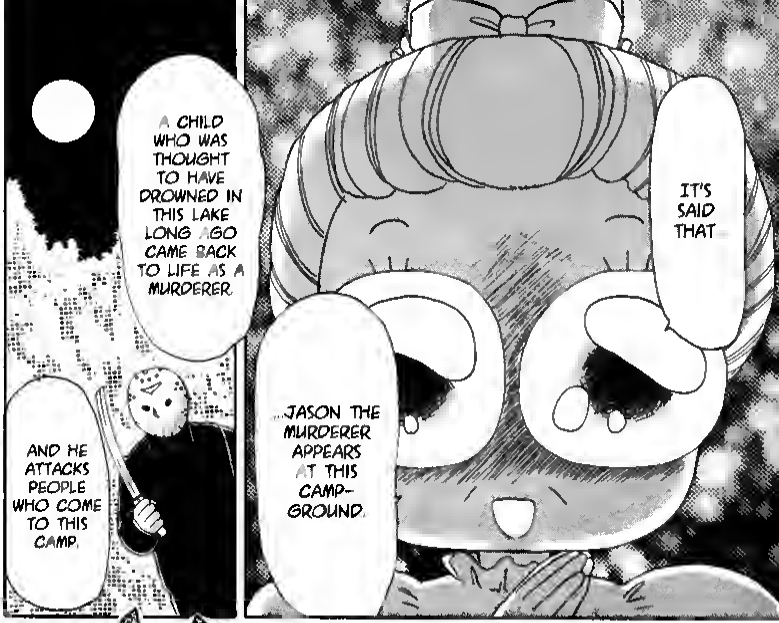
Chapter 25: "Jason Appears at the Campground"



LAKE CURRY CAMPING GROUND
THEN, THE GHOST PYUU-CHAN AND THE LITTLE KITTY MII-CHAN LIVED HAPPILY EVER AFTER.
RASCAL-SENSEI'S GHOST STORY ISN'T SCARY AT ALL
あはははは
IF YOU KIDS GOT SCARED AND COULDN'T GO TO USE THE TOILET, IT'D BE TROUBLE-SOME.
OKAY, THAT'S IT FOR TODAY.
AH, AND ONE MORE THING...
SFX <AHAHAHAHAHA>



A CHILD WHO WAS THOUGHT TO HAVE DROWNED IN THIS LAKE LONG AGO CAME BACK TO LIFE AS A MURDERER.
AND HE ATTACKS PEOPLE WHO COME TO THIS CAMP.
IT'S SAID THAT
...JASON THE MURDERER APPEARS AT THIS CAMP-GROUND.

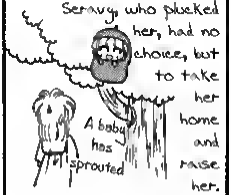
Other characters blood type and zodiac:

Seravy: A
Dorothy: B
Marin: A
Yakko-chan: AB

In Chacha's CD, there was some content about compatibility fortune-telling, so I decided the characters' blood types and zodiac, but I don't know how to decide the birthdays.

Also, among the "requests for character appearances", there are a lot of requests such as "Please introduce Chacha's parents". Actually, I thought about that once. If her parents were normal, it would be boring. With that in mind, I ended up with her parents being a TREE. Chacha's parent is a tree.

And Chacha actually was a fruit!! (It surely would be a red fruit.)



Seravy, who plucked her, had no choice, but to take her home and raise her.

...That was what I thought up, but then I was told I'd "better stop with that," so I gave up on the idea. After that, I just can't think about Chacha's parents, so I still can't introduce them.
